### 2013 Timber Crew

#### Positions:

We are planning to fill five to eight positions for the purposes of a timber crew.

**Title, Series, and Grade:** Forestry Aid, GS-462-3  
Forestry Technician (Timber),  
GS-0462-4; GS-0462-5; or GS-0462-6

#### Location:

- Evanston/Mountain View Ranger District, Evanston, WY
- Heber/Kamas Ranger District, Heber City, UT

**Work Schedule/Period of Employment:** Employment will last from approximately mid to late May through at least September 2013, although most seasons we work through the first part of November. Work schedules will be identified for each crew and will either be 5, 8-hour days or 4, 10-hour days per week. Primarily the 4, 10-hour day will be used.

#### Salary/Benefits:

GS-3 - \$11.95 per hour  
GS-4 - \$13.41 per hour  
GS-5 - \$15.00 per hour  
GS-6 - \$16.73 per hour

The selected applicant will earn 4 hours of sick leave and 4 hours of annual leave every pay period. He/she will also be compensated for Federal holidays that fall during the scheduled period of employment.

**Housing:** Government housing will be available at Bear River Ranger Station, located 32 miles south of Evanston, for positions out of Evanston. For positions in Heber housing is available at the Strawberry Reservoir bunkhouse or in Kamas, UT. Housing costs range from approximately \$3.82 per day to \$5.97 per day.

**Duties:** The incumbent will serve as a crew member and is expected to be responsible for a variety of duties over the course of employment. Duties will range from timber sale preparation and inventory to helping assist in a large planting contract and being involved in numerous spraying contracts within

the campgrounds. Specific timber sale prep duties will be stand inventory, unit boundary marking, area determination, individual tree marking and volume determination. Some individuals may also assist in timber sale contract harvest inspection. This work requires technical ability to use tree measurement equipment. Training will be provided. The work is often arduous due to rough terrain and adverse weather conditions.
